Commissioner for Patents

The IDS submitted March 18, 2004 has not been considered since: (1) there is no copy of the postcard receipt showing it was in fact filed October 1, 2002 and (2) given there is no copy of the receipt, there is no petition to accept it or evidence that the fee for filing the IDS after the case has been allowed has been paid. Note that the IDS is also not in conformance with MPEP 609, since no copies of the non patent literature have been made of record, thereby rendering consideration of that portion of the IDS impossible at this point.
